## YEAR 11 DESTINATION & SIXTH FORM APPLICATION FORM (2019 ENTRY)

Name: ..... Tutor Group: .....

### **Sixth Form Application Form**

Enter your A level subjects below *in order of preference* 1 to 4.

We will endeavour to place students on their subject choices.

Places will be allocated on the basis of the order in which the forms are received **and** on the basis that students are expected to achieve at least the minimum requirements for entry to the Sixth Form as detailed in the Sixth Form prospectus. Students must therefore have a clear idea of their expected grades based on current performance – please talk to subject staff before completing this form to avoid unexpected rejection on any individual course.

	<b>Subject</b>	<b>Current Performance Grade</b>
<b>1</b>		
<b>2</b>		
<b>3</b>		
<b>4*</b>		

\*Students have the option to take a fourth A Level, if they achieve six subjects graded at 7 or higher at GCSE. If students taking three A Levels are unsure about which subject to take, then they may have the option of taking a fourth A Level subject, **for the first two weeks of term in September**. However, should a student then want to choose to take their 4<sup>th</sup> choice subject, their ability to do this will be subject to space availability on the course.

**Please note – if students wish to change their chosen subjects once the application deadline has passed, please do so in writing to Mr M Betts. Students should have this letter countersigned by their parents/carers confirming that they agree to this change. However please note that once the initial closing date for applications (12/12/18) has passed availability of courses may be limited.**
